Who ever thought of political proscription, in this community, until the loggish heads of the Register first proposed it.

The Union House, at College Corner, is one of the best country town Hotels that we have ever had the good fortune to stop at. Mr. Wm. Vanscoyie the proprietor is a gentleman in every sense of the word.

All persons wanting cheap books should send to A. A. Kelley, 28 West Fourth street Cincinnati, and you will get them at low rates. He will send to any address a catalogue of every variety of books together with the prices of the same. Websters Unabridged Dictionary, Pictorial edition, containing fifteen hundred illustrations furnished for six dollars, together with six presents, to the purchaser. Recollect the No. 28 West Fourth street.

Fatal Accident.
Just as we are going to press we are informed that Mr. John Walker, who a few days since was severely injured while attending to his duties as brakeman, on a freight train, on our Railroad, at the bridge just above town, Tuesday morning was instantly killed by falling between the cars while the train was in motion. We understand the accident happened near Barnets Station. The Coroner and Jury have held an inquest and by our next issue we will be able to give the particulars more fully, and the result of the inquest, Mr. Walker was a young man and well known here, son of Esq. Walker of this place.

Enanos.—The little that we have seen of the world and know of the history of mankind teaches us to look upon their errors in sorrow, not in anger. When we take the history of one poor heart that has sinned and suffered, and represent to ourselves the struggles and temptations it passed through—the brief pulsation of joy; feverish inquietude of hope and fear, the tears of regret; the feebleness of purpose; the desertion of friends; the scorn of the world that has little charity; the desolation of the soul's sanctuary, and threatening voices within; health gone; happiness gone—we would fain leave the erring soul of our fellow man with the power from whose hands it came, and point his steps to the clothing Emporium of Michael Filbert, on Main street, where clothing can be purchased cheap.

Henry Clay on Slavery in the Territories.
In 1837, Henry Clay, then Senator of the United States, introduced the following resolutions in the Senate:

RESOLVED, That any attempt of Congress to prohibit slavery in the Territories of the United States would create serious alarm and just apprehension, would be a violation of good faith towards the inhabitants of such Territories who have removed thence with their slaves, and because when such Territory shall be admitted into the Union as a State the people thereof shall be entitled to decide that question exclusively for themselves.

On the 8th of May, 1850, Henry Clay wrote as follows in his report:

"To avoid in all future time the agitation which must be produced by the conflict of opinion on the slavery question—existing as this institution does, in some of the States and prohibited as it is in others—the true principle which ought to regulate the action of Congress, in forming territorial governments for each newly acquired domain, is to refrain from all legislation on the subject in the territory acquired, so long as it retains the territorial form of government—leaving it to the people of such territory when they have attained to a condition which entitles them to admission as a State, to decide for themselves the question of slavery."

Is Republicanism founded to carry out the above?

MARRIAGES.

Married, on Wednesday, Oct. 17, 1860, at the residence of the bride's father near Seven Mile, Butler County, Ohio, by Rev. W. H. Landrum, Mr. B. F. OZAN of Preble County and Miss HANNAH KEMLER.

Heaven grant, with plenty they may wage their joys,
And Benjamin have a cord of son-in-law.
This we entreat kind fortune, for their sake,
For the printers had an abundance of delicious cake.

We return our sincere thanks to this happy couple, for the cake presented to the Press and sincerely hope they may have a happy and prosperous journey through "this veil of tears."

A vote was taken, as to who was the choice for President, which resulted as follows:
Douglas.....20
Lincoln.....1
Bell.....1

Rev. E. Howe, will preach in the Presbyterian Church, in this place, next Sabbath, at 10 o'clock A. M.

Douglas will carry Indiana.

It should be known, for it is a fact, that Dr. S. A. Weaver's Canker and Salt Sheum Rymum Syrup, together with the Cerate, never fails of giving satisfaction to all who give them a trial, for as yet they have never failed in a single instance of curing all Humors, such as Salt Rheum, Erysipelas and the like. In cases of this kind the fullest reliance may be placed upon these preparations.

SHERRY WINE BITTERS.—It is the best Medicine ever used for Spring and Summer complaints. It has been more liberally patronized than any other ever established in this country. It is the same Richardson's Bitters which has restored so many invalids to health throughout the Northeastern States during the past thirty years. Read the following:

How many worthless nostrums are offered for sale to the public. This fact is strictly true, that Dr. S. A. Weaver's Canker and Salt Sheum Rymum Syrup, together with the Cerate, never fails of giving satisfaction to all who give them a trial, for as yet they have never failed in a single instance of curing all Humors, such as Salt Rheum, Erysipelas and the like. In cases of this kind the fullest reliance may be placed upon these preparations.

Dr. Roback's Remedies.
We publish in another column of to day's paper, an article copied from the Cincinnati Enquirer, descriptive of Dr. Roback's extensive medical establishment in that city. By the way, Dr. Roback's remedies have obtained a great and deserved popularity with all classes. It has been but a short time since these remedies were introduced into our section of country; yet Dr. Brennan, Dr. Roback's agent in this place, informs us that his sales of the Blood Pills, and Blood Purifier have far exceeded those of all other medicines for which he is agent, combined. The reason for this, is, that they have stood the test of practical experience. We know this not only from the mouths of others, but we have used them in our own family with very best results. For all diseases of the blood, general debility, whether proceeding from sickness or from natural weakness, indigestion, and all kindred ailments, we recommend the Scandinavian Remedies as the very best medicines extant. They are designed to achieve not an ephemeral success, but a permanent and deserved reputation, which will render them a necessity in every family.—Napoleon, O., North West, March 24, 1860.

PERRY DAVIS'
VEGETABLE
PAIN KILLER.
WE ask the attention of the trade and
the public to this long test and unri-
valed
FAMILY MEDICINE.
For the cure of Colds, Coughs, Weak Stom-
ach and General Debility, Indigestion,
Cramp and Pain in Stomach, Bowel Com-
plaint, Colic, Diarrhoea, Dysentery, Cholera,
&c., &c., and for Fever and Ague there is
nothing better. Try it.
It has been favorably known for more than
twenty years to be the
ONLY SURE SPECIFIC
For the many diseases incident to the hu-
man family.
Internally and Externally
It works equally sure.
What stronger proof of these facts can be
produced than the following letter received
unolicited from A. W. Curtis:
Rome, Macomb Co. Mich., July 9, '60.
Messrs J. N. Harris & Co.
Gentlemen:—The confidence I have in
Perry Davis' Pain Killer as a remedy for
Colds, Coughs, Borne, Sprains and Rheuma-
tism, for the cure of which I have successfully
used it, induces me to cheerfully recom-
mend its virtues to others.
A few months ago I had recourse to it to
destroy a felon; although I had never heard
of its being used for that purpose, but having
suffered intensely from a former one, and
having no other remedy at hand, I applied
the Pain Killer for about fifteen minutes at
evening, and repeated the application very
briefly next morning, which entirely de-
stroyed the felon, and increased my confidence in
the utility of the remedy.
Yours truly,
A. W. CURTIS,
Minister of the Wesleyan M. E. Church.

THE PAIN KILLER
Has been tested in every variety of climate,
and by almost every nation known to Ameri-
cans. It is the almost constant companion
and inestimable friend of the missionary and
the traveler, on sea and land, and no one
should travel on our lakes or rivers with-
out it.
Be sure you call for and get the genuine
Pain Killer, as many worthless nostrums are
attempted to be sold on the great reputation
of this valuable medicine.
Sold by dealers everywhere.

DR. O. S. RICHARDSON'S
SHERRY WINE BITTERS.
THE CELEBRATED NEW ENGLAND REMEDY
FOR—
HABITUAL CONSTIPATION,
Jaundice, Fever and Ague, General
Debility, and all Diseases arising
from a Disordered Stomach, Liver,
or Bowels.

Is used and recommended by leading Phy-
sicians of the country, and all who try it pro-
nounce it valuable.
Dr. James L. Leeper writes from Nava-
ree, Stark county, Ohio, "the Bitters are
highly praised by those suffering from Indi-
gestion, Dyspepsia and Liver complaint."
E. S. Davis, Postmaster at Williamsport,
Ohio, says, "they give great satisfaction. I
use them myself, having taken cold, become
prostrate and lost my appetite. It relieved
me, and I can recommend it with great as-
surance of its merits."

Dr. Wm. M. Kerr, of Rogersville, Indiana,
writes us that they are the most valuable
medicine offered. He has recommended
them with great success, and with them
made several cures of bad cases of Palpita-
tion of the Heart and General Debility.

Thomas Sanford, Esq., writes us a long
letter, under date of May 4th, 1860. He
was much reduced, having been affected for
three years with great nervous ability, palpi-
tation of the heart, of the most severe
and prostrating character; after using a
few bottles I was completely restored, and
am now in robust health.
